Welcome to Finnies Accountants

Your team of approachable accountants who care

At Finnies, we strive to achieve the best for you. Your relationship with us is important. We care about our clients and in many cases we have become an extension to their business.

We are able to provide a wide range of accounting services that we can tailor to your needs. From business start-ups to personal investments, we know you need to trust your accountant to work with you to ensure financial security.

You can be certain that with Finnies as your advisor, you will receive outstanding support and advice. We give you access to our wide range of services and tools, including our free tax-app. You can be confident in our experts who have helped many corporate and individual clients achieve huge success.

“

I always receive good advice
and service from Finnies and I
would recommend them to
anybody ”

- Nick, Northamptonshire

Our Promise To You

As members of the ACCA (Association of Chartered Certified Accountants), you can be fully confident in our abilities to deliver a professional service to you and provide extensive knowledge in key areas of accountancy.

At Finnies, we promise to provide:

- An efficient service, with a timetable of expected completion dates for the services you require
- A detailed fee quote before work is undertaken
- All additional work will be quoted and agreed in advance of work starting
- Information about statute changes and their effect to you
- Regular meetings to meet your needs and discuss your financial affairs
- Clear and concise advice
- Resources you can access at anytime, including cloud-based accounting packages

When working with us, we ask that you:

- Provide full and complete information on time
- Inform us immediately of any changes to your situation or finances
- Pay your bills in a timely fashion
- Ensure we have up-to-date contact information

Our Accreditations:

Practising Certificate Development

Access Information 24/7

Free tools, including our easy-to-use Tax-App

We are able to offer our clients access 24/7 to their accounts with the use of the cloud-based accounting package Xero. Utilising this accounting solution allows you to view your business finances as a whole, helping you with the decision making process as well as documenting progress.

At Finnies, we strive to work as a paperless company, and have published several guides, fact sheets and articles on our website. You will also find a number of useful calculators for taxes, loans and savings, which are all free to use.

Want more information on-the-go? You can download our free tax-app from the iTunes and Android store now. We know how much our clients value our free tools and information, so we've bundled it all together in one free and easy-to-use app.

Visit our website for more information: www.finnies.org.uk.

“

Finnies Accountants has guided us for over 20 years, and the level of service has proved invaluable over the years ”

Payroll for Businesses

Relieve the burden

Administering payroll can be an arduous and time-consuming task for today's business owner. You can utilise our subsidiary company, Stipendia Payroll Solutions, to take care of this for you rather than recruiting a member of payroll staff.

Our comprehensive payroll services include:

- Customised payslips
- Administration of PAYE, National Insurance, sick pay, etc.
- Summaries and analyses of staff costs and CIS returns
- Administration of pension schemes

Let Stipendia take care of your payroll. Contact Lynne Auton, our payroll specialist today - la@payrollsolutions.org.uk

“

A big thank you for all the payroll help you do for us. It leaves me free to run my business”

- Neil, North Yorkshire
